

Dear IAMS Community

Come out of the cold and learn hot Latin dance for Inter-American Magnet School's 1st annual *Rock the Casa* Dance-a-Thon on Saturday, January 28th, 2011 at the Metro from 11am-2pm. The Metro, located at 3730 N Clark Ave, one of Chicago's number one concert venues, has generously donated their club for this fun event.

Rock the Casa is a school-wide, student-centered dance-a-thon fundraiser where students, families and the IAMS community will be instructed in several Latin dance styles by professions from Latin Street Dance Company. Students will then have the opportunity to show off what they've learned with everyone else on the dance floor. Students will be asked to collect pledges from neighbors, neighborhood business, relatives and friends to support them to learn latin dances like Merengue, Cha-Cha and Salsa and to stay dancing for the entire event.

Rock the Casa is designed to both encourage healthy active lifestyles within the IAMS community and raise money for IAMS Wellness initiatives. This year our goal is to raise \$16,000, enough to fund Playworks, an amazing program that helps our students stay active and fit.

In addition to pledges students raise, we will raise additional funds through tickets sales at the door: \$5 per person or \$10 per family. *Rock the Casa* will also be open and promoted to the public.

Attached please find the Pledge Submission Form and a Pledge form to record your pledges. Please return donations in the form of one check made payable to "FELE" by January 27th. For the convenience of your family, relatives and friends, individual online pledging is now available for students to set-up at fele.ejoinme.org/rockthecasa.

Please feel free to contact the planning committee with questions at fundraising@iamschicago.com.

COMING OUT OF THE COLD TO LEARN HOT LATIN DANCE !!!

My school, Inter-American Magnet School, is having our first annual **Rock The Casa Dance-a-thon on Saturday, January 28th**. While the event is a fundraiser for the school, it is also an opportunity to engage students in fun and fitness, and to promote making healthy choices. Please help by supporting me for this event.
