Karen passed out copies of draft copies of ratings tentatively agreed upon on Wednesday, April 21 in the meeting with 5 LSC members (Cliff, Marisol, Margaret, Monica and Karen).

We went through each section of the evaluation and each item under each section. We discussed where ratings needed to move, and a rationale for moving them up or down from the survey- as well as from last year.

It was agreed that disagreements about specific ratings would be decided by taking informal polls.
